

## DIGITALLY PRINTED BANNERS

Our printing system can produce banners of any size and we carry several types of materials suitable for indoor and outdoor advertising. By using only the most durable media and inks, our banners can withstand the test of time and the elements to communicate your message season after season.

**PVC BANNER** is a heavy-duty material, weather resistant and can be used again and again. It's printed in full colour and with options of laminate, rope, hemmed & eyelet.

MESH BANNERS

**MESH BANNER** is a high quality vinyl coated polyester fabric with an open weave design that allows wind to pass through. This banner is perfect for outdoor advertising such a building wraps, and scaffold banners.
