

**Hoardings** are one of the leading media for outdoor advertising. Used on construction sites, new building developments or temporary fencing in city centres and roadsides. Made of a series of panels overprinted digitally from any artwork, the materials used include corriboard, dibond or aluminium.

Mesh banners are a brilliant way to advertise your bussiness or promotions and also can create a protective surrounding on scaffolding.

Universal Easy Change Banner Display  
Please refer to pg 21 & 22 for details.
